Dear Mr. D'Agostino,

Please find the attached proposal to provide professional Structural Engineering services for the evaluation of existing cracks in the Precast Concrete Panel at Stair Well of the office building & cracks in the Concrete Drainage Channel at Toshiba International Corporation's (TIC) Industrial Division facility.

If I can be of any, further service or answer any additional questions, please feel free to call me at below numbers.

Thanks,

Sudhakar Kalaga, P.E.
